Eagle Scout Information

The ongoing challenges of the pandemic provide us with a new opportunity to share these stories to a wider audience than ever before while also capturing them as a special keepsake for you. This February we will unveil a special recognition video for the entire 2020 Class of Eagles at CelebrateScouting.org that will highlight their collective impact. This video will be available for you to view with your family, Troop, and share with friends and family across the country. Additionally, we will create a customized recognition video for each Eagle with a dedicated section of the site about your Scout. This will allow for a more personal and memorable recognition than we've been able to provide in the past.

We need your help to make this possible! Each Eagle will have the opportunity to have the individual highlight section mentioned above that will include:

- A portrait photo
- A description of their Eagle Project
- A custom video featuring your Scout, you, their leaders, and others celebrating their achievement. Examples may include favorite memories, a simple congratulations, best wishes, etc.

We're hard at work creating the overall Class recognition video, but we need your help on the items listed above. Please use the link below to submit a portrait photo of your Scout (preferably in uniform) along with videos from your Scout, you, your Scoutmaster, friends and family, and any one else you would like to invite. We will edit your submitted videos into a custom keepsake video highlighting your Scout's journey.

Video Tips & Tricks

- Hold the camera landscape, not portrait to easily be added to the video.
- Talk loud!
- Make sure the lighting is good.
